// ABOUT ME

I am an enthusiastic and eager-to-learn student. I currently serve as treasurer at SPW Boekties VZW. I have completed a lead animator course, which has equipped me to work effectively both independently and as part of a team. I hold a valid category B driving license.

WARRE MOONS

// WORK EXPERIENCE

Sobelco Technics 2019 - Today
Assisted in the installation of general electrical systems and home automation. Contributed to high-quality and safe project execution through precise and efficient work.

SPW Boekties VZW 2019 - Today
Served as treasurer, achieving a 50% increase in profits over two years. Designed and coded a PHP website with full member management, post feed, and webshop, allowing both parents and staff to create accounts.

Painting With Light 2025
Research and developed a custom interactive stair step for an internal project, contributing to design, prototyping, and testing.

MediaMarkt Hasselt 2025
Offered hands-on technical support by resolving complex hardware and software issues. Handled the preparation of laptops, PCs, and smartphones for customers.

Ampotec 2024
Contributed to the production of audio system cabling, including large-scale soldering work. Ensured accuracy and reliability in assembly to meet high technical standards.

Optiled 2024
Designed and developed a website with an integrated webshop using a WYSIWYG editor, ensuring user-friendly layout and functionality.
